Nafith@madayn

Why Register Your Fleet ?

NAFITH@MADAYN IS THE ONLY PLATFORM THAT WILL ENABLE YOU TO MANAGE THE ACCESS OF YOUR FLEET INTO OUR ESTATES. NAFITH@MADAYN HAS BEEN DESIGNED TO ENABLE YOU TO CHOOSE FROM A VAREITY OF ACCESS PERMIT PACKAGES AND SERVICES THAT SUITE YOUR BUSINESS NEEDS

Registering your Fleet on our system is a straight forward easy process. Our Demo videos will guide you on how to do it. You will be able to register trucks (heavy and medium) that you own or lease, but also your passenger vehicles: buses, vans and cars, in addition to heavy equipment and machinery.

When you register your fleet on Nafith@Madayn, every vehicle registered will be supplied with an RFID windshield tag that will enable it to access the estate based on an access permit that you choose to subcribe .

You don't need to worry about keeping track of your fleet access permits. Register to Subscribe at Nafith@Madayn... and let us manage, monitor and control the whole process for you. Our notification system will ensure you are timely notified on important data concerning your fleet at any point in time

You will gain access to multiple numbers of statistical reports and dashboards about your flleet that will help you in streamlining your operations, reducing operational complexities, inefficiencies and costs and thus making better operational decisions and improving your strategic tactics.

What Will You Gain?

- Identification through RFID tags on all your vehicles.

- Ability to subscribe to a variety of access plans and permits for your fleet according to each vehicle type and related business needs

- Access to a variety of value-added services including unlimited weighing services at entrance and exit of estates.

- Increased efficiency of truck cargo processing and transit time and reduce its costs

- Nafith@Madayn enables you to communicate directly with your trucks' drivers and send them notifications.

- Notifications on all your fleet related matters such as:
  - Licenses validity
  - Insurance validity

- Access to the estates' Truck Marshalling Yards (if available in your estate), where your trucks can lay bye, enabling you to streamline and manage the loading/off-loading process within your facilities grounds, thus reducing congestions where available and inefficiencies

- A one-click records extraction for your registered fleet that is accessing your facility, including vehicle basic identification data, licenses, capacity, insurance, truck trailer data, employees' owned cars data, etc...

- Reports and illustrative Dashboards of your fleet data that will assist you in your operational planning and decision-making process.

- Access to benefit from a variety of service choices offered on our platform:
  - Truck tracking.
  - Consolidation of cargo.
  - Freight market.
  - Truck coordination.
  - Click insurance.
  - E-way bill preparation.

- Assistance in calculating In-Country-Value.
